## New Year:

Welcome to 2012, I look forward to the adventures it will bring! 2011 tuition totals for taxes should be sent home before the end of the month. Please let me know if you need any special reimbursement forms signed and I can get that done right away. Check with your teachers in the two year old room and up for the new daily sheets. Even though there is no snow on the ground, please remember to bring snow pants and boots for the kids. Teachers are beginning to create individual portfolios for the children and may have some questions for you in the next few months.
